Discrimination Module - I

**Questions** designed to collect the population’s self-experience of discrimination or harassment for reporting on **SDG indicator 10.3.1/16.b.1.**

“Proportion of population reporting having personally felt discriminated against or harassed in the previous 12 months on the basis of a ground of discrimination prohibited under international human rights law”

Human Rights Approach to Data (HRBAD) is integrated into the methodology.
SDG indicator 10.3.1/16.b.1

* DS0. I will now ask you about discrimination. Let me explain what I mean by discrimination:
Discrimination happens when you are treated less favourably compared to others or harassed because of the way you look, where you come from, what you believe or for other reasons.

<< Pause briefly >>
You may be refused equal access to work, housing, healthcare, education, marriage or family life, the police or justice system, shops, restaurants, or any other services or opportunities.

<< Pause briefly >>
You may also encounter comments, gestures or other behaviours that make you feel offended, threatened or insulted, or have to stay away from places or activities to avoid such behaviours.
