Plan of Work 2020-25

## Praia Group on Governance Statistics
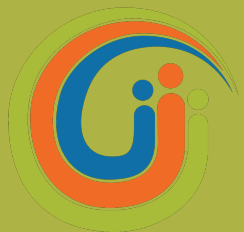

GOVERNANCE
STATISTICS
PRAIA CITY GROUP

Thematic areas at different levels of 'maturity'

Development of harmonized methodologies

Piloting & guidance on implementation

Task Team on Safety & Security:
e.g. Guidance for improved coordination of admin data producers on crime & criminal justice

Task Team on Non-Discrimination & Equality:
e.g. Guitance on collection of data on hard-to-reach populations

Task Team on Trust:
e.g. Measuring question wording / question order effects

Task Team on Responsiveness:
e.g. Assessing statistical quality of questions on attributes of public services

Task Team on Access to Quality of Justice:
e.g. Survey module on access to civil justice

Task Team on Participation:
e.g. Survey module on participation in political & public affairs

Task Team on Openness:
e.g. Methodologies drawing from admin data to measure openness

Task Team on Corruption:
e.g. Survey module on other forms of corruption beyond bribery
